INDEX TO VOLUME XXVIII

INDEX TO AUTHOR, TITLE, AND SUBJECT

A

Aberdeen proving ground, Maryland, Army service forces training center, 368.
Adolescent girls, Delinquency in. D. B. Harris, 596–601.
Adolescent in war time, The moral outlook of. P. A. Bertocci, 353–67.
Alabama society for mental hygiene, 690.
Alcoholism: clinics at Yale university, 334–35.
Alternatives for the persecuted child. R. C. Preston, 273–78.
American association on mental deficiency, annual meeting, 509–10.
American geriatrics society, 2d annual meeting, 510–11.
American orthopsychiatric association, annual meeting, 335–36.
American psychiatric association, annual meeting, 508–9.
American psychiatric association, Research committee—regulations for competition in research in child psychiatry, 155–56.
American psychopathological association, annual meeting, 510.
Anais da Colonia Gustavo Riedel, 694.
Armed forces, *see* Military services.
Army: *See also* Military services; Soldiers.
  Group psychotherapy in an army general hospital. Samuel Paster, 529–36.
  regulations relative to discharge of enlisted men from active service, 502–5.
  Problems found in an army mental-hygiene unit. B. M. Beck, 568–70.
  Psychiatric social worker in an army station hospital. T. M. Feldberg, 586–95.
  takes over Mason general hospital, 685.
Army service forces training center, Aberdeen proving ground, Maryland: Officers and their relation to a mental-hygiene program for trainees. R. R. Cohen, 368–80.
Arthur, Grace. An experience in examining an Indian twelfth-grade group with the Multiphasic personality inventory, 243–50.
Asheville (N. C.) mental hygiene society, 513.
Atonement, conscience and guilt as problems in modern life. E. V. Pullias, 91–101.
Attendant and morale; A note on personnel problems in hospitals for the mentally disordered. A. H. Eichert, 632–38.
Austin Riggs foundation, 337.
Award days and play festivals for psychotic patients, Motivational values of. J. E. Davis, 251–62.

B

Banay, Ralph, 335.
Barden-LaFollette act, 331.
Bassett, Clara, 515.
Beck, Bertram M. Problems found in an army mental-hygiene unit that could not reasonably have been predicted by pre-induction history and examination, 568–70.
Beers, Clifford Whittingham. C.-E. A. Winslow, 179–85; honored by Cooper Union forum, 325–26.
Behavior of civilian delinquents in the armed forces, Prediction of. J. N. Schneider and others, 456–75.
Bertocci, Peter A. The moral outlook of the adolescent in war time, 353–67.
Bibliography, Current. E. R. Hawkins, comp., 166–74; 343–52; 518–28; 695–704.
Book reviews, 102–49, 300–324, 482–99, 652–75. (*For list of books see pages* 713–14.)
Bossard, James H. S. The mental hygiene of owning a dog, 408–13.
Boston mental hygiene committee, 162.
Boys House—the use of a group for observation and treatment. Martin Gula, 430–37.
Bragg, Raymond, 163.
Brooks, A. L. Mental hygiene and the industrial physician, 37–40.
Brown, Fred. An experiment in "preventive testing" in the kindergarten, 450–55.
Butler hospital, celebrates its centenary, 506–7.

C

California: Southern California society for mental hygiene, 160–61; 690; Mental hygiene society of Northern California, 690.
Camp Callan, Calif., 537.
Case work: An adventure in group therapy in a family-agency setting. H. C. White, 422–30.
Case-work service for individual children, Integration of a training-school program with. H. D. Williams, 279–88.
Charlotte (N. C.) mental hygiene society, 513–14.
Chicago institute for psychoanalysis, issues booklets, 693.
Child guidance, The rôle of the study home in. Florence Clothier, 64–76.
Child guidance clinics, *see* Mental hygiene clinics.
Child psychiatry, award for research in, 155–56; fellowships, 676–77.
Child psychotherapy, Treatment of mothers in groups as a supplement to. Etta Kolodney, 437–44.
Child-study courses, 687.
Children:
  A factor in the sex education of. G. E. Gardner, 55–63.
  Alternatives for the persecuted child. R. C. Preston, 273–78.
  Integration of a training-school program with case-work service for individual children. H. D. Williams, 279–88.
  The psychologist working with crippled children. R. M. Hubbard, 397–407.
Children's guidance centers in Michigan, 154–55.
Clark, Dean A., 330–32.
Clinics: *see also* Mental hygiene clinics.
  A plan for the organization of psychiatric clinics. T. A. C. Rennie, 214–23.
  new clinics at Yale university for inebriates, 334–35.
  psychoanalytic and psychosomatic clinic established at Columbia university, 686–87.
Clothier, Florence. The rôle of the study home in child guidance, 64–76.
Cohen, R. Robert. Officers and their relation to a mental-hygiene program for trainees, 368–80.
Coldwater state home and training school, Coldwater, Mich., 157.
Columbia university, Department of psychiatry, 686.
Commonwealth fund, fellowships, 676–77.
Community organizations, contributions to industrial mental health. H. G. Webster, 49–54.
Community service society, New York City, 422.
Connecticut, Public welfare council, 157.
Connecticut society for mental hygiene, 511–12.
Connecticut state medical society, 157.
Conscience, guilt, and atonement as problems in modern life. E. V. Pullias, 91–101.
Contributions of community organizations to industrial mental health. H. G. Webster, 49–54.
Cooper Union forum honors Clifford Beers, 325–26.
Correction, 517.
Crippled children, The psychologist working with. R. M. Hubbard, 397–407.
Current practices in group therapy (symposium), 414–49.

D

Davis, John E. Motivational values of periodic award days and play festivals for psychotic patients, 251–62.
Delinquency:
  Texas university study finds increase in, 155.
  Integration of a training-school program with case-work service for individual children. H. D. Williams, 279–88.
  in adolescent girls. D. B. Harris, 596–601.
Delinquents, civilian, in the armed forces, Prediction of behavior of. J. N. Schneider and others, 456–75.
Determinism, Psychic, in Holmes and Freud. C. P. Oberndorf, 289–99.
Devereux schools offer award for paper on research in child psychiatry, 155–56.
DeWitt, Henrietta B. Family care as the focus for social case-work in a state mental hospital, 602–31.
Discharges from the armed services, 329–30; army regulations, 502–505.
Division neuropsychiatrist, 679–85.
Dix, Dorothea, and the Scottish lunacy act of 1857, 157–59.
Dog, The mental hygiene of owning a. J. H. S. Bossard, 408–13.
Dumas, Alexander, 340.
Durfee, M. B. Note on self-identification with enemy nationals, 23–27.

E

Edelson, Samuel E. Social work in selection for the armed forces, 565–67.
Eichert, Arnold H. Morale and the attendant; A note on personnel problems in hospitals for the mentally disordered, 632–38.

Emotional resistance against the psychoanalytic approach in schools, Some features of. Otto Spranger, 639–51.
Enemy nationals, Note on self-identification with. M. B. Durfee, 23–27.

F

Family care as the focus for social case-work in a state mental hospital. H. B. DeWitt, 602–31.
Family-agency setting, An adventure in group therapy in. H. C. White, 422–30.
Feldberg, Theodore M. The psychiatric social worker in an army station hospital, 586–95.
First aid, Mental-hygiene, for precombat casualties. H. L. Freedman, 186–213.
Freedman, Harry L. Mental-hygiene first aid for precombat casualties, 186–213.
Freud, Sigmund: Psychic determinism in Holmes and Freud. C. P. Oberndorf, 289–99.

G

Gardner, George E. A factor in the sex education of children, 55–63.
Glueck, Eleanor T., *see* Schneider, J. N.
Glueck, Sheldon, *see* Schneider, J. N.
Grossman, Sol. S. The psychiatric screening process for selectees, 224–42.
Group therapy:
Current practices in (symposium), 414–49.
at the Jewish board of guardians. S. R. Slavson, 414–22.
An adventure in group therapy in a family-agency setting. H. C. White, 422–30.
Boys house—the use of a group for observation and treatment. Martin Gula, 430–37.
Treatment of mothers in groups as a supplement to child psychotherapy. Etta Kolodney, 437–44.
The Rorschach test as an aid in selecting clients for group therapy and evaluating progress. M. G. Siegel, 444–49.
Group psychotherapy in an army general hospital. Samuel Paster, 529–36.
Guilt, conscience, and atonement as problems in modern life. E. V. Pullias, 91–101.
Gula, Martin. Boys House—the use of a group for observation and treatment, 430–37.

H

Haggard, Howard W., 335.
Harris, Dale B. Delinquency in adolescent girls, 596–601.
Hawaii, Bureau of mental hygiene, annual report, 159–60.
Hawaii territorial society for mental hygiene, 691.
Hawkins, Eva R., comp. Current bibliography, 166–74; 343–52; 518–28; 695–704.
Heiser, Karl S., 157.
Holmes, Oliver Wendell: Psychic determinism in Holmes and Freud. C. P. Oberndorf, 289–99.
Hubbard, Ruth M. The psychologist working with crippled children, 397–407.
Humphreys, Edward J., 157, 689.

I

Identification with enemy nationals, Note on. M. B. Durfee, 23–27.
Illinois department of public welfare, 157.
Indexes, Central, of state-institution patients needed for Selective service, 151–52.
Indian twelfth-grade group, experience in examining with the Multiphasic personality inventory. Grace Arthur, 243–50.
Induction station, Kalamazoo, Mich.: The psychiatric screening process for selectees. S. S. Grossman, 224–42.
Induction stations request more social histories, 150–51.
Industrial employment, Mental aspects of. K. E. Markuson, 28–36.
Industrial mental health, Contributions of community organizations to. H. G. Webster, 49–54.
Industrial mental health, The selection and training of leaders as a factor in. R. F. Street, 41–48.

Industrial physician and mental hygiene. A. L. Brooks, 37–40.
Industry—employment of men with mental disorders, Wisc., 164.
Industry and mental hygiene (a symposium), 28–54.
Integration of a training-school program with case-work service for individual children. H. D. Williams, 279–88.
Intelligence testing: An experiment in "preventive testing" in the kindergarten. Fred Brown, 450–55.
Internist looks at psychiatry and psychoanalysis. W. L. Palmer, 77–90.

Iowa: plans for an Iowa state society for mental hygiene, 161; 339; organization meeting, 512.

J

Jewish board of guardians, Group therapy at. S. R. Slavson, 414–22.
Journal of clinical psychology, 694.
Judge Waite lecture, 163.

K

Kalamazoo, Mich., induction station: The psychiatric screening process for selectees. S. S. Grossman, 224–42.
Kentucky mental hygiene association, 161–62; 339–40.
Kentucky university, 339.
Kindergarten, An experiment in "preventive testing" in the. Fred Brown, 450–55.
Klapman, J. W. Public relationships of the mental hospital, 381–96.
Kolodney, Etta. Treatment of mothers in groups as a supplement to child psychotherapy, 437–44.

L

Ladies Home Journal, 338.
LaGrone, Cyrus W., Jr., *see* Schneider, J. N.
Lasker, Mrs. Albert D., 502.
Leaders, The selection and training of, as a factor in industrial mental health. R. F. Street, 41–48.
Lewis, Nolan D. C. Perspectives on the mental hygiene of to-morrow, 15–22.
Library, The mental-hospital. M. D. Quint, 263–72.
Life, modern, Conscience, guilt, and atonement as problems in. E. V. Pullias, 91–101.
Louisiana, Mental health bill, Act No. 303, comments on, 691–92.
Louisiana society for mental hygiene, 691–92.
Lyon, A. M., 339.

M

McGill university establishes a department of psychiatry, 156–57.
Markuson, K. E. Mental aspects of industrial employment, 28–36.
Mason general hospital, Brentwood, L. I., N. Y., 685.
Massachusetts—Governor's rehabilitation committee, 512.
Massachusetts department of mental health, 335.
Massachusetts society for mental hygiene, 162; 512.
Medical-service plan in Virginia, 152–54.
Medical survey program, 163; 177–78.
  progress report on, 327–28.
  in Minnesota. Allan Stone, 570–78.
  Operation of the medical survey at national and state levels, L. E. Woodward, 578–86.
Menninger, William C., 332.
Mental aspects of industrial employment. K. E. Markuson, 28–36.
Mental defectives, susceptibility to mental disease, 689.
Mental disease, susceptibility of mental defectives to, 689.
Mental-health program, Pennsylvania's. W. C. Sandy, 476–81.
Mental hospitals:
  Mental-hospital library. M. D. Quint. 263–72.
  Public relationships of. J. W. Klapman, 381–96.
  Family care as the focus for social case-work in a state mental hospital. H. B. DeWitt, 602–31.
  Morale and the attendant. A. H. Eichert, 632–38.
Mental hygiene:
  Review of the year. A report on the National committee's work in 1943. G. S. Stevenson, 1–9.
  To-day's responsibilities in. J. S. Plant, 10–14.
Perspectives for to-morrow. N. D. C. Lewis, 15–22.
  and industry (a symposium), 28–54.
  and the industrial physician. A. L. Brooks, 37–40.
  State societies and committees (with date of organization), 175–76.
  of owning a dog. J. H. S. Bossard, 408–13.
Mental hygiene clinics:
  new children's centers in Michigan, 154–55.
  New Rochelle child-guidance clinic, 333–34.
  Southard clinic, 335.
Mental hygiene committee of Northwestern Pennsylvania, 686.
Mental-hygiene first aid for precombat casualties. H. L. Freedman, 186–213.
Mental hygiene (periodical), back issues wanted, 342.
Mental hygiene program for military services:
  Mental-hygiene first aid for precombat casualties, H. L. Freedman, 186–213.
  Officers and their relation to a mental-hygiene program for trainees. R. R. Cohen, 368–80.
  Psychological training and orientation of soldiers. Julius Schreiber, 537–54.

Problems found in an army mental-hygiene unit. B. M. Beck, 568–70.
Mental hygiene society of Northern California, 690.
Mental-hygiene unit (army), problems found in. B. M. Beck, 568–70.
Michigan—Dr. Humphreys appointed Director of mental hygiene, 689.
Michigan, new children's centers, 154–55.
Military services: *See also* Mental hygiene program for military services.
Every division of armed forces to have psychiatrist, 152.
new policies governing discharges, 329–30.
disposition of neuropsychiatric cases, 330.
Prediction of behavior of civilian delinquents in the armed forces. J. N. Schneider and others, 456–75.
Army regulations relative to discharge of enlisted men, 502–5.
Minnesota, The medical survey program in. Allan Stone, 570–78.
Minnesota mental hygiene society, 162–63; 340–41; 692.
Missouri association for mental hygiene, 512.
Moral outlook of the adolescent in war time. P. A. Bertocci, 353–67.
Morale: Psychological training and orientation of soldiers. Julius Schreiber, 537–54.
Morale and the attendant. A. H. Eichert, 632–38.
Mothers treated in groups as a supplement to child psychotherapy. Etta Kolodney, 437–44.
Motivational values of periodic award days and play festivals for psychotic patients. J. E. Davis, 251–62.
Multiphasic personality inventory, An experience in examining an Indian twelfth-grade group with. Grace Arthur, 243–50.

N

National committee for mental hygiene: Review of the year. A report on the work in 1943. G. S. Stevenson, 1–9.
annual meeting, (1943), 150.
establishes research fund in psychosomatic medicine, 500–502.
Mrs. Albert D. Lasker, new secretary, 502.
annual meeting, (1944), 676.
National committee for mental hygiene, Division of rehabilitation, bulletin quoted, 677–79.
Neuropsychiatric cases in the armed forces, disposition of, 330.
Neuropsychiatrist, The division, 679–85.
New concepts of rehabilitation. M. J. Shortley, 555–64.
